Dear Mr Bloodworth,

This letter is to inform you of a temporary restraining order <sup>filed</sup> ~~issued~~ in the U.S. District court for the Southern District of Illinois, to stay all residential soil excavation at the site immediately.

You are requested to direct your contractor, OHM Remediation Services Corp. to immediately:

- Finish excavation and stockpiling of soils of lots presently under excavation.
- Load out those soils to the approved landfill.
- Complete the restoration of those eleven lots to their original condition.
- Maintain lots with watering as needed to restore newly sodded or seeded lawns.

These actions are to be done immediately, to cooperate with the court order, and all unnecessary equipment and personnel are to be demobilized until further notice.

Sincerely

A handwritten signature in cursive script that reads "Brad Bradley".
